FIRE ON MURRAY HILL.

\$10,000 Damage Done in the Residence of Samuel P. Peters.

A Plumber's Furnace Thought to Have Started the Flames.

Fireman Ready Hurt by a Fall Downstairs After the Fire.

The residence of Samuel P. Peters, at 117 East Thirty-seventh street, in the Murray Hill district, was damaged to the extent of \$10,000 by fire early this morning. Mr. Peters is a coal merchant, with an office at Broadway.

During the summer the family have been at their country home in Islip, L. M., and their city house has been looked after by the caretaker, Mrs. Wler. She and her daughter and two sons stayed in the basement, and were the only persons in the house when the fire broke out this morning. The house is a four-story and basement brownstone and is owned by Mr. Peters.

For several days past plumbers have been working in the house, looking after the water pipes. They were there all day yesterday and did not leave off work until 5:30 P. M. They were to begin work again early this morning, and it is believed that they left a fire in a little furnace, which in some way set fire to the house.

At 2 o'clock this morning S. C. Myles, a private watchman for the block, smelled smoke and started to locate the fire. He did not succeed, although he searched for two hours.

At 5:30 o'clock a man ran up to the watchman as he stood on the corner of Park avenue and Thirty-seventh street, and told him that smoke coming out of the Peters house.

The flames were extinguished the second and third floors in the rear were badly burned. The damage is estimated at \$3,000 on building and \$600 on furniture.

Fireman Edward G. Ready, of Engine Company No. 21, was badly injured internally after returning from the fire. While running after the engine-house he tripped and fell down a flight of stairs. He was taken to Bellevue Hospital.
